Born to Mr. and Mrs. Max G. Brittain, Tuesday, April 4, a son.

Prof. W. H. Hand, state supervisor of high schools, was in Lancaster yesterday visiting the Lancaster high school where he spoke interestingly to several classes.

There will be an entertainment Tuesday evening, April 11, at 8 o'clock, at the Craigville school house, No. 1, in North Lancaster district. Admission, 10 and 15 cents. Free lunch will be served.

Marguerite Clark in "Mice and Men," at the Star yesterday, was simply irresistible. The photoplay is a beautiful picture of southern life in antebellum days, and a particularly clean, worth-while production.

Mr. Roddey Bell, who recently suffered an attack of appendicitis, went from the Presbyterian college of South Carolina to Rock Hill, where he underwent an operation, and is now at home recuperating before his return to Clinton.

Secretary Ellison, Superintendent Lingle, Mr. R. E. Wylie and Mr. John D. Wylie, attended the closing exercises of Buford school to-day, making the trip in Mr. Wylie's car. Prof. A. C. Rowell is the principal of this school.

Besides the space for a tennis court, granted by the Baptist church, for use by the young men of the town, a basket ball ground for the younger boys and the girls, behind the church, has been graded and

CLOSING EXERCISES AT ELGIN

Visitor Describes Pleasant School Entertainment.

It was my pleasure and privilege to be present at the closing exercises of the Elgin school last Monday night. Though the evening was inclement, the auditorium was filled with an intelligent and appreciative audience, whose behavior excelled that of many towns and cities, especially that of my own in another state. The credit (I was told) was due to the efficient and capable teachers, their excellent discipline, and the hearty co-operation of the board of trustees.

The exercises consisted of folk dances, drills, songs, etc. "The Cabbage Hill school," decidedly the success of the evening, was thoroughly enjoyed by every one.

Miss Edna Bailey exceeded herself in impersonating the teacher of "Cabbage Hill school." The little drama was well rendered by a talent which would reflect credit upon any community; a wave of merriment and laughter continued throughout the play. Miss Corinne Jones, principal, and Miss Estelle Bailey, assistant, deserve special mention and congratulation upon their success of enlisted energy and interest. We can never forget the hospitality of the good folk of Elgin.

"AMERICA FOR CHRIST."

By Rev. James H. Thayer, Ph. D.

The following beautiful poem, by Dr. J. H. Thayer, pastor of the First Baptist church, appears in the current issue of The Baptist Courier:

America for Christ, O God,
Her children young and old,
The treasures of her heart and soul
So great, so manifold,
America for Christ, we sing,
Her talents and her time,
O let us consecrate to thee,
In effort, great, sublime.

America for Christ, O God,
Her silver and her gold,
Her granaries of golden grain,
Her wealth on wealth untold,
America for Christ, O Lord,
Before thy throne we bring,
The blessings thou hast given us,
And crown thee Lord and King.

America for Christ, O God,
For her the nations wait,
A great, expectant, eager throng,
Outside the kingdom's gate,
America for Christ, we sing,
God give us grace to thee,
And thus shall Jesus' name be known
From sea to sounding sea.

NINE-TENTHS of the business of the world is done by checks. Why not do yours that way?

Your money is safer in a good bank than anywhere else. It is at your call at any time and you can pay it out simply by writing your check, a cleaner way than handling the actual bills and silver. Then, too, the check is a good receipt for payment, for, of course, the payee can't get the money—your money—from the bank, until he receipts for it.

Try the Vick Vap-O-Rub Treatment

Applied in Salve Form Over Throat and Chest Relieves by Inhalation and Absorption.

Vapor treatments are best for inflammation of the air passages. The vapors carry the medication direct to the inflamed surfaces without disturbing the stomach, as internal medicines will do. A very convenient vapor treatment is a good application of Vick's "Vap-O-Rub" Salve over the throat and chest, covered with a warm flannel cloth. The body heat releases vapors that are inhaled with every breath, opening the air passages, loosening the phlegm, and healing the raw surfaces. For deep chest colds, first apply hot wet towels to open the pores. Vick's is then absorbed through the skin, taking out that tightness and soreness. 25c, 50c, or \$1.00.
